

Maine Engineering Internship Opportunities Now Available

The Maine Space Grant Consortium (MSGC), a non-profit organization, is pleased to announce a special opportunity for Junior and Senior undergraduate engineering students at the University of Maine, University of Southern Maine and Maine Maritime Academy who are interested in a research internship with a Maine engineering and technology-based company. Internship opportunities are available for a ten-week summer session. Students will receive a minimum stipend of \$4,500.

Eligibility

- Must be a U.S. Citizen
- Must be classified a rising junior or senior after the spring of 2010
- Must have a minimum 3.0 GPA on a 4.0 Scale
- Must be enrolled full time at the University of Maine, University of Southern Maine or Maine Maritime Academy
- Must be enrolled in an engineering discipline

How to Apply

Download application materials and guidelines at

<http://www.msgc.org/programs/highered/ESMDInternships.php>. E-mail or phone Ms. Jana Hall at the Maine Space Grant Consortium at jana.hall@msgc.org or 1-877-397-7223 ext. 250 if you have any questions. Applications are due March 5, 2010
