

# Maine Engineering Internship Opportunities Now Available

The Maine Space Grant Consortium (MSGC), a non-profit organization, is pleased to announce a special opportunity for Junior and Senior undergraduate engineering students at the University of Maine, University of Southern Maine and the Maine Maritime Academy who are interested in a summer research internship with a Maine engineering and technology-based company. Students will receive a minimum stipend of \$4,500.

## Eligibility

- Must be a U.S. Citizen
- Must be classified a rising junior or senior after the spring of 2008 (for summer participation)
- Must have a minimum 3.0 GPA on a 4.0 Scale
- Must be enrolled full time at the University of Maine, University of Southern Maine or Maine Maritime Academy
- Must be enrolled in an engineering discipline

## How to Apply

Download application materials and guidelines at <http://www.msgc.org/programs/highered/ESMDInternships.php>. E-mail or phone Ms. Jana Hall at the Maine Space Grant Consortium at [jana.hall@msgc.org](mailto:jana.hall@msgc.org) or 1-877-397-7223 ext. 250 if you have any questions. Applications are due February 5, 2008 for consideration.
